

Fox in the Forest Bracelet

Supplies:

Pewter fox button
5 polymer clay disk beads
5 Czech maple leaves
7 wood triangle beads
18 4mm dyed hematite
36" Irish waxed linen

Instructions:

1. String the waxed linen twice through the loop on the button and center the button on the linen.
2. Tie an overhand knot with both strands of the linen. String a hematite bead on both strands, tie an overhand knot and repeat.

3. On one strand of linen string on the lead bead, tie an overhand knot with both stands. Repeat four times.
4. String both strands of linen through a wood bead, tie an overhand knot. Repeat six more times.
5. Repeat step 4 with the five disk beads.
6. On both strands of linen string on 13 hematite beads. Form a loop with the beads, leaving a small space under the beads and tie both strands around the linen under the hematite beads to secure your loop. Wrap the linen around the base of the loop again and tie another knot.
7. Add 1 hematite bead to one stand of linen, tie an overhand knot. Repeat on the other strand of linen with 2 hematite beads. Trim the end of the linen leaving a 1/4 tail, fray the linen ends slightly.
