

## Flamenco Bird Pendant

### Supplies:

- 3 polymer clay birds
- 5 8mm Czech glass lenticular beads
- 3 Czech glass flower beads
- 4mm fire polished glass bead
- 2 8mm copper spacers
- 1 5mm copper spacer
- 2 15mm Arte Metal jump rings
- 5 7mm gunmetal jump rings
- 2 4mm gunmetal jump rings
- 26" gunmetal cable chain
- 3 1" brass headpins
- 8" 22 gauge steel wire.

### Instructions:

1. Attach a 7mm jump ring to the lenticular bead, repeat 4 times. Set aside.
2. Add a flower bead to a headpin, create a simple loop. Repeat 2 more times.
3. At 2" from the bottom of the wire, create a large loop with round nose pliers. Open the loop the chain nose pliers and add the 3 flower dangles. Close the loop and wrap the remaining tail of the wire above the loop to create a wrapped loop.
5. String on a bird, 8mm spacer, bird, 8mm spacer, bird, 4mm spacer, fire polished beads.
5. Create a wrapped loop on above the last bead.
6. Open a 15mm jump ring, string on the 5 lenticular dangles and the bottom of the bird pendant, close the jump ring.
7. Attach the 4mm jump rings to each end of the chain.
8. Open a 15mm jump ring, string on the top of the bird pendant and two jump rings on the end of the chain. Close jump ring.
