

## The Long Way Home Pendant

### Supplies:

- Feather Pendant
- House Bead
- Bird Bead
- 8mm glass spacers
- 2 6mm copper spacers
- 10" 21 gauge blackened steel wire
- 18 gunmetal chain

### Tools:

Heavy duty wire cutters, round and chain nose pliers and steel wool.

## Instructions:

1. Leaving a 4" tail on the steel wire, create a large loop. Open the loop and insert the feather pendant, close the loop.
2. Wrap the tail of the wire above the loop two times in a regular wrapped looped. Continue wrapping the wire several times, criss-crossing around the loop to create an entwined effect.
3. String on a copper spacer, house bead, copper spacer, glass bead, bird bead. Create another large wrapped loop as in step 2.
4. Thread the pendant on the chain.
